A MESSAGE FROM ROGER WOERNER

The meeting last month was a lot of fun. This month we have Bud Kennedy from the Star Telegram speaking to us about his experience as a food critic.

If you haven't turned in your membership dues, this meeting would be a great time to do so. We also have our Cowtown Cleanup this month and we will have more info at the meeting for anyone still interested.

See you Tuesday the 18th, 6:30, Saintsville Cathedral on Oak Hill with your covered dish. This month's door prize has a cooking theme. Remember ... BRING A FRIEND OR NEIGHBOR !!!

# Secretary Minutes for February 2014

RECORDED BY KRIS REYNOLDS

Roger Woerner called the meeting to order at 7:05pm, and introduced the guest speaker, our neighbor George Hedrick. George began his informative dissertation regarding the development of Eastern Hills starting in the 1940-1950's when the land was beginning subdivision. The homes were required to be 65-80% brick, approximately 1500-3000 square feet, and have a rear-entry garage. The homes originated in the Weiler/Blue Ridge intersection and area, with people in the 30-40 year old range, post-war and depression eras, some with military backgrounds. There were tales of many doctors and lawyers coming to this prestigious area, many having graduated from Poly and Handley High Schools. In the 1960's, most of the dead-end streets were becoming thoroughfares through the neighborhood, and the "turnpike" (now I-30), was built nearby to connect Fort Worth and Dallas. Along with the swelling of the neighborhood population came Eastern Hills' own elementary and high schools. Famous names from the business side of Fort Worth lived here, along with many TXU and General Dynamics (Lockheed) personnel. The neighborhood continued to grow and expand into its present street structure in the late 60's, and this is where George stopped. Roger Woerner and Lee Frazier, both very early residents, confirmed that they could remember when all the streets were dirt roads, and there were plenty of copperheads in the area. Everyone enjoyed the history lesson, and hopes that George will return soon to tell us about the 1970's forward.

Danny Scarth was introduced and gave a brief status regarding the City Manager finalists, all of whom have viable experience. He also mentioned the May 14 Bond Election, which may include some area street repairs and storm drains. When asked about

the gaming room on Jill/Brentwood Stair, he informed us that it is sometimes difficult to discern legal vs illegal operations. He did reiterate that Code Compliance and FTW Police are diligently working to ensure that no illegal activities are going unnoticed or unpunished.

In miscellaneous business, Dub Holcomb mentioned that the next patroler class was the 3rd Saturday in May. Lee Frazier suggested that we should leave the foxes and coyotes alone. David Adcock detailed the benefits of NextDoor.com, praising the ease of communicating through this non-profit website. They do have an incorrect map of Eastern Hills, which we will get fixed so that our west-of-Weiler neighbors will be rightfully included in our group. LaWayne Hauser mentioned the eyesore and trash issue regarding the Dollar Store litter on Brentwood Stair. This will be addressed on Cowtown Cleanup Day, but may need some additional follow-up on a year-round

basis. She and David also spoke about the Optimist Club Flag Program and its benefit toward helping our youth, not to mention how our neighborhood is transformed with visible patriotism on five holidays throughout the year. We have applications: \$25.00 per year. Lynelle Dye reminded us that the Eastern Hills Fitness Center is open M-F 6:30- 8:30 and 3:35 - 6:00 PM for our use, with a variety of machines and workout possibilities, available to all of us! Henrietta Bailey reiterated that, if we see something wrong or needing attention from outside the neighborhood (like Code Compliance), we can be making those calls ourselves, instead of waiting for the next neighborhood meeting, in an effort to get the ball rolling as soon as possible.

Reverend Pace bragged that he brought 4 neighbors with him towards meeting last month's challenge, which appeared to be the best individual effort! Thanks to everyone who inspired another neighbor to attend! Patty Walker was the winner of the amazing Door Prize for February, out of 53 attendees, and the meeting was then adjourned.

## Water Conserving Plant Sale

Texas SmartScape has teamed up with The Home Depot, Weston Gardens, and cities in the DFW Area to bring you savings on Native Texas Plants!

Texas SmartScape will be hosting several plant fairs across the metroplex this spring that will offer you great savings on select varieties of low-water-use plants that will thrive in the Texas heat. In addition to the discounts on select native and adaptive plants, you can talk with a master gardener or irrigation specialist and get ideas and tips for landscaping in North Central Texas.

More than half the typical household's summer water use goes to watering the lawn and garden. Converting to a water-efficient landscape through proper choice of plants and careful design can reduce this use by up to half. Native and adapted plants require a lot less water once established.

A new Code Blue class just ended, with 5 graduates! We just need to keep moving forward, trying to secure more patrollers in our neighborhood. Our patrols really help in keeping crime to a minimum. Eastern Hills has been relatively crime free, however, school is out for Spring Break, so be on the lookout for mischievous kids in our area. On the last holiday, 12 kids made some bad decisions and were picked up in Eastern Hills for wrongdoings. Be alert.

# SHARE YOUR VIEWS OF EASTERN HILLS

## **Newsletter Seeking Photos From Our Neighbors.**

Everyone has a view of Eastern Hills. News from the Hills wants your photographic view of our fascinating community. The photos will be used in a section titled "Views of Eastern Hills" to showcase images by local residents. We will publish a collage of photos each month, selected from images submitted to News from the Hills.

### **Here are the guidelines:**

- Open to all Eastern Hills residents.
- Send your photo as a JPEG image to [mcwattigney@gmail.com](mailto:mcwattigney@gmail.com)
- Photos should have been taken within the last 4 months.
- Tell us a little bit about the photo and why it says "Eastern Hills" to you.
- Photographers will be fully credited.
- Deadline for every newsletter issue is the 5th of each month.

## **CRIME PREVENTION**

### ***One crime is one too many!***

Anyone who follows the neighborhood crime statistics is aware there can be seasonal spikes in crimes. With this in mind, please continue to be vigilant to keep Eastern Hills a safe and crime free place to live. Remember, the best defense against crime is a close-knit community.

As always, our faithful Citizens on Patrol play an important role with their daily neighborhood patrols. Their extra eyes and ears help deter many crimes. But the police and COP can't be everywhere, so we count on residents to call in when they see something suspicious.

Sometimes people seem hesitant to dial 9-1-1. But that is what it is there for. The police would rather

respond to a citizen call and find that it was not a true emergency than not get the call, resulting in a burglary. A robbery. Or worse!

Luckily our stats are small compared to other neighborhoods and those fewer incidents have been attributed to our patrol program and crime watch efforts, but we can always do better.

In our busy lives full of distractions, it is easy to forget to take extra security precautions. Here are a few key points to remember:

- Report any suspicious activity and unrecognized vehicles on our streets.
- Keep your porch and yard lights on at night.
- Keep your garage doors closed.
- Lock your vehicles and put all items out of sight

# Spring Cleaning & Bulk Trash Pick-Up

With spring upon us, it's time to get our yards ready for another growing season. Since there's always plenty of clean up involved, here are some reminders about what to do with all your winter yard debris. Yard trimmings, along with the regular trash, are placed at the front yard curb and are picked up every Thursday in Eastern Hills. Trimmings can be placed in the large paper yard bags or can be bundled up with string or twine, but can be no longer than 4 feet in length or over 40 pounds. Large tree and shrub limbs can be no longer than 8 feet and no larger than 4 inches in diameter per limb.

The 2th Monday of every month is our neighborhood's monthly bulk pick-up date. You can place items at your curb as early as 6:00 p.m. the Friday before, but no later than Monday at 7:00 a.m. Crews have until the following Saturday by 5:00 p.m. to pick up the items. This is when you can throw out old equipment, weathered lawn furniture, mattress and such. Bulky item pick-up is limited to 10 cubic yards (about eight feet long, six feet wide and six feet tall)

For additional information and a complete list of rules governing Bulk Trash Pick-up please visit the city's website at [www.fortworthtexas.gov/solidwaste](http://www.fortworthtexas.gov/solidwaste)
